PLANET PLAYGROUND VS ROBOTS

The Bininging of the end

28 ★1 0

in the bininging (it was mispelt on purpose) the Melon Republic made some robots to replace their soldiers then someone sabotaged the robots and they turned against the frutians some conspiracy theorists said that it was controlled by a duck from earth that was brought by someone from a certain planet called Paulo then a group of frutians were completely wiped out and 3 groups of them were remiaing the other one is slowly going to be wiped out (the corn group) and half of the nation was destroyed their remaining territory was mostly in the north to east their government has fall they call their remaining territories resistentia the leader of the robots are still unknown but we will find out later the leaders name is classfied (not the dude from penguins from madagascar) his real name is Cardo D. His men describe him as immortal the new government of the robots was called the sandbox empire

Execute order 66

20 0 0

in the former melon republic palace a robot comes in

Robot Soldier #1: there are still remaining fruit people in the sandbox empire what should we do emperor Paulo

Paulo the Duck: hmm we should put them into long labor or we should tourture them

Robot Soldier: okay emperor

at the Resistentia territories:

Anonnymous fighter:

today this is the 66th torture show of the robots, these idiots do not have a soul

Robot soldier: these stupid fools i wish death upon them

Annonymous fighter: what they did to the apples is what we will do to them i shall say EXECUTE ORDER 66!!!!!!!!!!!!

Cardo D: *claps*

Other Resistentia fighters: *cheers and claps*

Annonymous fighter:who wants to do this, i know lets give it to Cardo the "immortal" he shall do the honors

Cardo D: alright

Cardo D: pulls lever

Robot : falls into the landmines then gets blown to death

Annonymous Fighter hehehe now that is what they deserve

Cardo D:yayyay im so happy :)

Annonymous fighter : *gets shot*

Cardo D: WTF men fight

the robots have striked they are gonna wipe out every fruit people just like what they did to the apples as for the Resistentia they won the battle 99 people died

Paulo ducky: hahaha thats what they deserve >:)

Robot general: yes >:)

The Munroe Bomb

17 0 0

The robots are making a bomb that will destroy fruitkind they call is the Munroe bomb it is in the works now

At the Sandbox Palace

Paulo Ducky: make me a bomb that is like a nuclear bomb in a box shaped form

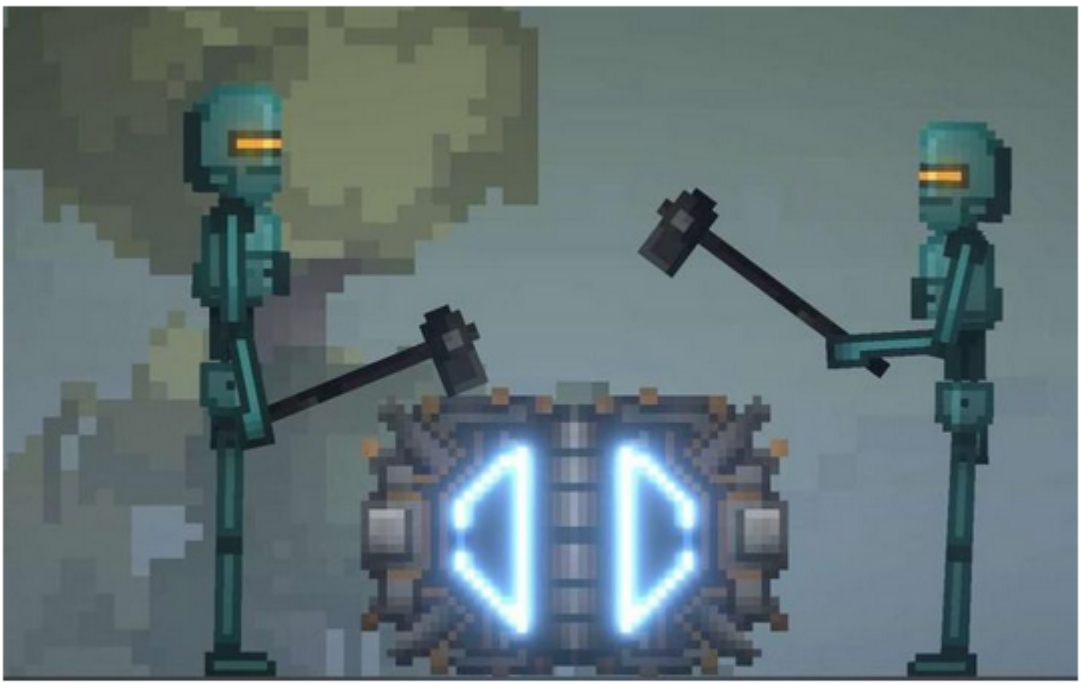
Robot #42: alright sir one only or many

Paulo Ducky: any amount you want as long as it is more than five

Robot #42: okay sir

Robot #42: lets get to work maggots lets make a bomb that will destroy the remaining stupid fruit people

Robots: Yes Sir



Paulo Ducky: perfect hahahaha

Paulo Ducky: i will get my revenge

The Lato Lato Squad 1/2

20 0 0

The Resistentia fighters were looking for other fighters to make an alliance with they heard that there were a squad of people that mostly uses clackers as weapons and they were mostly Junior high(middle school) to college students or people

Cardo D: guys who we should be allies with

Annonymous fighter: uhh i dont think so i think they are all defunct

Cardo D: but we have news that there is still a fighter group left

Showa: uuhhh okay i guess

Cardo D: alright Showa

Cardo D: alright lets go drive in the jeep but it is designed for two people only i will group yall to two each Annonymous you drive in your own jeep and showa will ride and Highest cheif priest Sukmahbalz you drive and Mark V you ride with sukmahbalz

after some hours later

The clacker men: Gets ready with their clackers to fight

Cardo D: guys we bring no harm we want an alliance

Leader of the clacker squad :you want an alliance okay

Cardo D: thank you team work makes the dreamwork

TBC

The Lato-Lato Squad 2/2

17 ★0 0

Cardo D: so who are you

J.Jstar: My name is J.jstar i am the leader of the clacker squad we founded this group beacause we mostly use clackers as weapons and we started to fight robots with toys

Cardo D: okay but how is your weapons effective

J.Jstar: we upgrade them and we make them in strong materials and we were losing, it was a perfect timing of you having an alliance to save our species

J.jstar: our members are mostly teenagers/young adults

Cardo D: okay my father was the former president of the Melon Republic

J.jstar; really

Cardo D: yes

Cardo D: some of our members escaped from the prisons camp, they have seen worse like physical torture, mental torture, psycological torture, executions, mutilation, slavery, and others that i cannot explain

J.jstar: oh my god

Cardo D: yes, oh my god

J.jstar: we got the clackers from vendors it was trending here beacause a child and a handsome white haired man with a GYAT girlfirend via fm uv

Cardo D: oh yeah the home planet of the bunny nation

J.jstar: they were rumored to be responsible of the genocide of the apple people (im drinking apple juice while writing this) and the arrival of Paulo Ducky and caused the creation of our groups and the slow extinction of our species

Cardo D: i heard that before it was in the Marites News headline

J.jstar:wait you read Marites News

Cardo D: yes

J.Jstar: me too

Cardo D: what time is it

J.jstar: its 4:18pm

Cardo D: we have talked for so many hours should our groups merge

J.jstar: of course yes

Cardo D: it is official

at the palace:

Robot #42: emperor we have news

Paulo ducky: what is it

Robot #42: the Lato-Lato squad and Resistenita fighters have merge

Paulo Ducky: oh then it would be a 1v1, once the munroe bombs is complete i will kill those fool and as for the ones inside the nation they will be killed mercillesly, spare no one i want no prisoners i want every single one of them dead!!!!!

In Paulo we trust

10 0 0

Paulo Ducky: hmmm.. what should i do once i become a ruler of this stupid planet

Robot #42: maybe take over planet earth

Paulo Ducky: maybe, we could make a religon out of this

Robot #42: okay just like the kim dynasty

Paulo Ducky: yeah those fools from earth anyway lets take action and go after those fools and they should accept defeat anyways is the munroe bomb done

Robot #42: yes it is done

Paulo Ducky: hmm our plan is to capture the leader of the rebells then lets give them a week to surrender or their leader shall die and eliminate their race fully >:)

Robot #42: great idea

Paulo Ducky: yes

At the Resistentia base

Cardo D: hmmmm they have a new bomb that will eliminate the frutian race

J.jstar: yeah, what is that is the sky

Cardo D: a robot *takes out gun

J.jstar: *takes out clackers

Robot #42: the emperor Paulo has a message to you, if you can reach the walled city prepaired in 7 days we will have a battle in the palace and watch out for your important men *dissapears*

Cardo D: what the lets prepare

J.jstar: yeah lets buy weapons first

Cardo D: where

J.jstar: i know a place

VII IV MDCCLXXVI/ one of the last apples

9 0 0

Paulo Ducky: hmm they are starting to get ready

Robot #42: yeah they are starting to get some guns like the ones in america

Paulo Ducky: yeah do you know the one series where a feminist gets bullied idk what will be the ending the dude behind the crap is writing this right now and he is busy with some stuff, she would be my empress if i have one

Robot #42: bro is like browzer from mario sining peaches

Paulo Ducky: *shoots Robot #42 in the leg* fix it yourself

Robot #42: owwww

in the abandoned town

Cardo D: so this is the place where to get a gun

J.jstar: yeah it is the church in the masuleum the church became storage

Sukmahbalz: what a colonizer place to sell guns

J.jstar: were here

Mateo A: Welcome to Mateo's guns and Shat what do you wanna buy

Cardo D: the entire thing

Mateo A: that would be 900T dabloons

Cardo D: gives 1 quadrilion dabloons

Cardo D: keep the change

Mateo A: ty

Cardo D: you look like an apple i tought they were all dead

Mateo A: its kind of a long story i escaped the robot prison with other friends i chose the cemetery to hide from the robots

Cardo D: okay see you later im about to go see my friend

J.jstar: how did it go

Cardo D: good

Sukmahbalz: ok

J.jstar: okay

Cardo D: lets go
